"Papagallo & Gollo" in Churwalden

I'm the Papagallo, I'm a parrot, parrot. My friend is the Gollo, Gollo. My favourite thing is stories, stories. Sometimes I'm a little bit cheeky, cheeky, and Gollo says: "Have a snooze, have a snooze! Papagallo, Papagallo!

In Papagallo & Gollo's latest book "Quer dür d'Schwiiz" (Across Switzerland), the two adventurers also make a stop at the Pradaschier adventure mountain in Churwalden, including tobogganing and a rope park.

New giant marble run

In October 2018, the Roger Federer Foundation donated a giant marble run to the children of Churwald. There are only 20 such marble runs in the world. One of them is now at our restaurant portal. The marble run has 14 exciting conveyor mechanisms that the children can crank, pull and push. The boccia balls used for this purpose can roll a total distance of 145 metres. The use of the ball track is free of charge.
