#### New giant marble run

In October 2018, the Roger Federer Foundation donated a giant marble run to the children of Churwalden. There are only 20 such marble runs in the world. One of them is now available on our restaurant portal. The marble run has 14 exciting support mechanisms on which the children can crank, pull and push. The bocce balls used for this purpose can roll a total distance of 145 meters. The use is free of charge.
